This land is Zoned IC which is Industrial Commercial and allows for both light industrial and retail uses. The fence shown in the picture has been removed. There is an environmental

land fill setback that cuts through this property from the old 'Springbank Landfill' on the corner of Blackfoot Trail and Glenmore Trail where the base ball diamonds are. There is potential to get a food use approved on this site however it would be subject to a variance report. This land is serviced. There is currently an old 5,100 Sq.
