Remarks

Pub Rmks: **The city has re-zoned this SOUTH WEST BACK YARD lot R-CG! With it being one house from the corner there would be ample parking for a 4-plex with legal suites, this is a golden opportunity for investment. Right now, the house has a legal 2 bedroom basement suite, new roof, some new flooring and windows and is a perfect (University) rental/holding property. Besides the 4 beds, there's parking for at least 4 cars in the back, and storage for another in an oversized garage; should you wish to rent to students (the house is a two minute walk to the LRT - one stop to University!) There are million dollar new builds on the street and streets surrounding this lot. So much potential!**
