The main floor foyer opens up to a dazzling glass feature affixed to the railing and sleek undermount lighting on the built-in bench. The adjoining living area is adorned with a glamorous tiled gas fireplace and big west-facing windows with plantation style shutters. 9 foot ceilings on the main floor accompanied by a spectacular skylight feature above the stairwell create an illuminated atmosphere across each level of the home. An integrated bar fridge and premium built-in Polk Audio speakers are guaranteed additions to keep the party going. Follow the immaculate oak hardwood floors with natural stain and integrated floor vents through the open concept layout as it seamlessly transitions into the spacious chef-inspired kitchen. Here lies the waterfall quartz island, quartz countertops, tile backsplash, stainless steel appliances including an induction cooktop, and double undermount kitchen sink. Added touches for ultimate convenience include a pantry space with pull-out drawers and toe sweep with a built-in vacuum. The nearby breakfast nook and bar is the perfect place for family meals, and includes a cozy built-in banquette with drawers as well as an extensive wine holder. From here you can access the private amenity deck ideally positioned for BBQing. Ascend the stairs and take the slate tiled hallway through double french doors into the expansive primary retreat.
