Remarks

Pub Rmks:

**Attention developers and investors here is an opportunity to develop 4 properties close to the city in an established rural area. Most of the heavy lifting has been done here. This parcel has been conditionally subdivided into 4 parcels approximately 2 acres in size each. Take control and choose your neighbors! With the completion of the extension of Stoney Trail access to the City of Calgary and the Mountains has never been better. Less than 10 minutes to the City Limit and all amenities. Mountains are less than an hour away.**
