Pub Rmks: **ATTENTION ALL BUILDERS OR INVESTORS!!!! This is a prime inner city location to build a mixed use (commercial and or residential) or use as a self proprietor/owner occupied building! For sale are two lots and they must be sold together, for a combination of a hundred feet of frontage by one hundred and thirty feet deep, totaling 13,000 sqft. The allowable contextual height is 15 meters, allowing for a mixed use commercial and residential building site. Currently onsite are two great revenue properties generating \$6,300/month, providing great income and or a great holding property awaiting building approvals. High visibility traffic location, offering transit at your doorstep, close to all levels of shopping, quick access to Deerfoot Trail, and a short commute to downtown. Exciting and rare inner city building opportunity, to build into the future in our busy and growing city environment!!**
