Remarks

Pub Rmks: **A rare opportunity to bring your own builder and complete that dream home on the Upper West Side in Elmont. Right in the heart of Springbank Hill with walking distance to West Side Center, LRT and nature in your back yard with all kinds of pathways to enjoy this amazing community. With only 20 min to downtown and now the ring road is open which has been a game changer for all the communities on the west side with short access to all the communities in the city. This wont last long !!!!**
