Remarks

Pub Rmks: **Newly renovated in 2024 this architectural gem in the desired amenity-rich community of Varsity is now ready for you to move in. Perched on a large 9,687 sqft (.22 ac) lot, with a SW back yard, in a quiet cul-de-sac, and backing onto the community's expansive tree lined walking paths. The design forward floor plan includes 3,000 sqft of total living space. With the addition of a large and functional mudroom connecting the main floor to the large garage, this home functions like a bungalow with all principal rooms located on the main floor level while 3 bedrooms in the lower level provide versatility for a mature family, the empty nester, or expanding family alike. In collaboration with McDowell Design, Laratta Homes has preserved and transformed this mid-century modern classic into a functional and timeless home to complement your contemporary lifestyle. The lower-level features nine large windows above ground that shed light into the lower level, fully integrating the upper and lower living spaces. An open and light filled living concept, a meld of original rustic structures and contemporary interior design features. The contemporary architecture is combined with a vaulted open beamed ceiling that houses two stone fireplaces, five bedrooms (or four plus a home office), three full baths, dining and living room spaces and an oversized double front drive attached garage with driveway, combined parking for six vehicles. The new custom-built open concept Kitchen features a see-through metal art wall and a curved and reeded oak island along with a Bertazoni gas range, fully integrated Dacor fridge with freezer, stainless steel dishwasher, microwave and concealed under cabinet lighting and coffee and beverage bars conveniently placed for entertaining. White oak planked and Italian tile flooring are found throughout the main floor. Quartz counters over custom-built cabinets throughout. The lower level boasts three bedrooms, a full bathroom, a rec room, games area, wet bar, cold room, and light filled Laundry room. Meticulously restored to include new torched on flat roof, updated cedar shakes on sloped roofs, new metal clad vinyl windows with wide Brickmolds, new Hardie lap and board and batten siding, soffit, eaves and garage door, new electrical wiring and panel, EV power outlet in garage, two zoned controlled forced air furnaces with AC line set, natural gas BBQ line to rear wood deck and gas starter to wood burning fireplaces, engineered insulation and envelope specifications, all new lighting and plumbing fixtures. Nestled in Varsity, a location coveted for its proximity to the University of Calgary, Alberta Children's and Foothills Hospitals, Chartered French school, Edworthy Park, Community linear parks, McMahon Stadium, and walking distance to shopping and entertainment at Market Mall and the University District. The main thoroughfares and public transportation provide easy access to downtown, YYC Airport, Calgary Winter Club and Alberta's mountain parks.**
