Welcome to the Legacy by Sterling Homes! This thoughtfully designed home perfectly combines functionality and luxury. The executive kitchen is a chef's dream, featuring built-in stainless steel appliances, a gas cooktop, a dishwasher in the island, and a Silgranit sink, complemented by a spice kitchen with a sleek tile backsplash. The bathrooms are equally impressive, with tiled shower walls, a bench in the ensuite, dual sinks, a private water closet, and ample storage drawers. The open-to-below great room enhances the home's sense of grandeur, while the gas fireplace adds warmth and style. Additional highlights include a triple-car garage, paint-grade railings with iron spindles, and a side entrance, making it ideal for a legal suite or added convenience.
